indigestion or dyspepsin which does not yield to ordinary treatment. While the symptoms are similar to the working of the Massialana to womptoms are similar to the symptoms are similar to the symptoms. symptoms are similar to those of ordimary imagestion, yet the medicines usually prescribed do not restore the patient's normal condition.

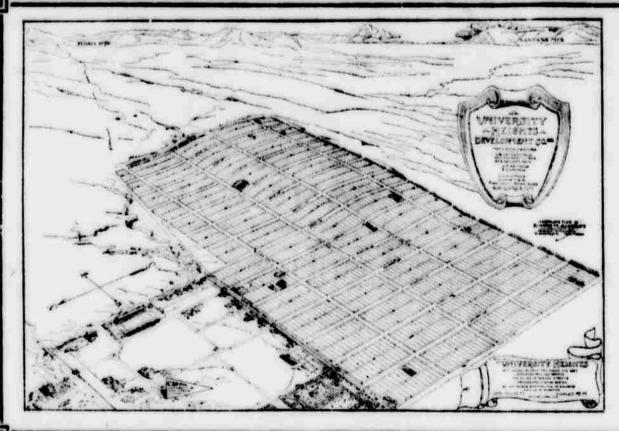

There seems to be a kind of dyspepsia caused by derangement of the female organism. While this appears to be the came as ordinary indigestion it can be relieved only by a medicine which, besides acting as a stomach tonic, is goodfor female aliments. Read what such a medicine did for Mrs. Williams :

Consider Surroundings First Then Plan Your House

The most careful investors consider University Heights the most desirable residence section of the city and predict that in a few years, more beautiful homes will have been built on that Addition than in any other residence district in the State. The Company's restrictions of no saloons, etc., the proximity of the University of New Mexico and its beautiful surroundings, the pure air, the bright sunshine and all city conveniences are bound to attract the best citizens.

Mr. J. A. Hubbs, connected with the Company, has a new sever-passenger Cadillac automobile for the purpose of showing University Heights to those interested, and by calling at the office of the University Heights Development Company, rooms 3-5-7 First National Bank Bldg., or phoning 899, he will be pleased at any time to call, show the property, explain prices, terms of pay-
